

Weymouth March 17.  
1858.

23

Francis Jackson Esq.  
Treasurer of the  
American Anti-Slavery Society.

Dear Sir.

I herewith  
enclose \$50. Fifty dol-  
lars, which please to pass  
to Miss Mattie Griffith's  
account, & pay to her  
order.

It is contributed by  
one quite unconnected  
with our Society; but it will

help to swell its receipts  
& pay this particular  
agent. (a most valuable  
one in my judgement  
though there was a feel-  
ing in many minds  
that made it at the time  
best not to take money  
from the treasury that  
had not been placed  
there for the specific pur-  
pose of sustaining her.)  
Receiving it from our  
treasury, she is spared  
the imputation of be-  
ing called the Pensioner

er of private individuals,  
als, & placed on the  
same honourable foot-  
ing of service to an August  
Cause with Mr. Pillsbury  
Mr. Quincy, & others.

I trust Members of  
the Federal Street &  
other such Churches, will  
begin to find out this  
one of the manifold  
uses of our Anti-Sla-  
very Society.

Affectionately & respectfully  
Yours for the Cause  
A. W. Chapman.
